Lots owned by the Developer need not be assessed until such Lots are sold to a

builder or Owner. Lots which are owned by a builder shall be assessed at a rate to be determined by the Association Board.

(b) Not later than thirty (30) days prior to the end of each fiscal year for the Association, the Association Board shall prepare an annual cash budget projecting anticipated revenues, cash receipts, cash expenditures, and net cash, surplus or deficit for the ensuing fiscal year (the Association Budget"). The fiscal year for the Association shall be the calendar year. The proposed Association Budget will automatically be approved unless two-thirds (2/3) of the Members vote not to approve such Association Budget. Upon approval of the Association Budget, the Association board will determine the manner in which Assessments are to be made; provided, however, that the Assessments will be made on a per Living Unit basis and not on market value or assessed value. The rate of Assessment for an individual Lot can change as the character of ownership, nature of use and the status of occupancy of said Lot changes, which therefore changes the classification of Assessable Property for such Lot. The applicable Assessment for such a Lot shall be prorated according to the rate required for each type of ownership.

Section 3. Billing of Annual Assessments. At such time or times as the Association Board may determine, the Association shall levy the Annual Assessment. The Association shall send a written bill to each Owner stating the amount of the Annual Assessment imposed against each Lot which is Assessable Property owned by the Owner, the time period for the payment thereof, and the interest rate to be charged for late payments thereof. Each Annual Assessment shall be due and payable on a date established by the Association Board and shall become delinquent on a date established by the Association Board. The Association Board may establish payment procedures to allow payment of the Annual Assessment in increments during the year the Assessment is made, provided that this privilege is extended to all Owners on an equal basis, and provided that reasonable notice is given of each payment date, of the interest to be charged for late payments, of the liens established by this Declaration, and of the suspension of membership rights as a consequence of the failure to pay.

Section 4. Commencement of Assessments. The Assessable Property shall become subject to the Assessments set forth herein on the date designated by the Developer. Such Assessments shall be adjusted and prorated according to the number of quarters remaining in the fiscal year of the Association as such fiscal year is set forth in the Association By-Laws.

Section 5. Late Payments.

(a) The Association Board may from time to time establish or change the rate of interest which shall be charged for the payment after the delinquency date of any portion of an Assessment, provided that such interest rate shall not exceed the maximum interest rate permitted under Missouri law and provided that reasonable notice of such charge is given to the Members.

(b) In the event of default in the payment of any one (1) or more installments of the Annual Assessment established hereunder, the Association may declare any remaining balance of said Annual Assessment at once due and payable.

(c) In the event that an Owner shall fail to fully pay the Assessment by the delinquency date thereof, such unpaid amount shall become a binding personal obligation of such Owner, and the Association shall have the right, pursuant to the provisions hereinafter provided to enforce the lien for Assessments. The Association shall have the right and duty to take all appropriate actions and steps to collect any such unpaid Assessments. Each delinquency shall constitute a separate basis for a demand or claim of lien or liens, but any number of defaults may be included within a single demand or claim of lien or liens on account of prior delinquencies and shall be deemed to include subsequent delinquencies and amounts due on account thereof. the Association may institute a suit to recover a money judgment for the same, together with interest thereon and

reasonable expenses of collection, including attorneys fees, without foreclosing or waiving the lien hereinbefore provided.

Section 6. Certificate of Payment. Upon written demand by an Owner, the Association shall issue and furnish to such Owner, within a reasonable period of time, a written certificate stating that all Assessments, including interest and costs (if any), have been paid with respect to any specific Lot owned by said Owner as of the date of such certificate, or if all Assessments have not been paid, setting forth the amount then due and payable.

Section 7. User Fees and Charges.

(a) In addition to the Annual Assessments, the Association Board may levy and collect charges and fees for the use of Common Property for the purpose of maintaining, refurbishing, replacing and repairing the Common Property and the Common Property Improvements, and operating services on Common Property.

(b) If any Owner or any other person obligated to pay shall fail to pay any user fee or charge when due and payable, the Association Board may immediately suspend such Owner's right of enjoyment of the Common Property or services thereon and may take whatever action it deems necessary to enforce such suspension.

Section 8. Additional Procedures. The Association Board shall have the right to adopt procedures for the purpose of making the Assessments, user fees, and charges provided for herein and for the billing and collection of the same, provided that such procedures are not inconsistent with the provisions hereof.

Section 9. Special Assessments.

(a) In addition to the Annual Assessments authorized herein, the Association may levy in any year a Special Assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, repair, or replacement of Common Property Improvements including any capital improvement upon the Common Property, or the cost of any utility deemed necessary by the Association Board to serve the Property including the necessary fixtures and personal property related thereto, or any unexpected cost or expense of the Association, as the Association Board may determine.

(b) A Special Assessment shall become effective upon written notice by the Association Board. Billing of Special Assessments shall be handled according to the procedures set out herein.

(c) Following the Development Period, Special Assessments shall not be imposed by the Association until after the Association Board first presents any such proposed Special Assessment to the Members at a meeting to be called for that purpose pursuant to Article III, Section 6 hereof. The Special Assessment shall be deemed to be approved by the Members unless two-thirds (2/3) of the Members vote not to approve such Special Assessment.

ARTICLE V

Association Funds

Section 1. Purposes For Which Funds May Be Used. The Association shall apply all funds received by it pursuant to this Declaration and all other funds and property received by the Association including the accumulated funds referred to in Article V, Section 2, to the following:

(a) the operating costs and expenses of the Association, including planning and implementation of community programs and Common Property Improvements;

(b) payment of all real and personal property taxes and assessments, if any, separately levied upon or assessed against the Association or any property owned by the Association; and

(c) payment of all premiums and charges for all policies of insurance or surety bonds, as deemed by the Association Board to be necessary and appropriate.

Section 2. Accumulation of Funds Permitted. The Association shall not be obligated to spend in any calendar year all the sums collected in any such year by way of Annual Assessments, or otherwise, and may carry forward, as surplus, any balances remaining; nor shall the Association be obligated to apply such surplus to the reduction of the amount of the Annual Assessment in the succeeding year, but may carry forward from year to year such surplus as the Association Board may determine to be necessary or desirable for the greater financial security of the Association and the effectuation of its purposes, including accruing funds for the replacement of facilities.

Section 3. Posting of Bond. The Association, acting through the Association Board, shall require that all persons or entities who handle the Association funds or monies, which funds and monies shall be deposited in federally insured banks or savings and loans, post bonds sufficient in amount to indemnify the Association from any loss.

Section 4. Mortgaging of Common Property. Except as set forth in this Section, and subject to the approval of any holder of an existing lien on the Common Property (the "Development Loan Lien"), the Association may mortgage any Common Property to which it has clear title; provided, however, that any such mortgage shall be subjected to the approval of two-thirds (2/3) of the Members who are present in person or by proxy and

voting in a duly constituted Association election or meeting. The Association shall not mortgage any Common Property to the Developer, or to any other entity or person to secure any conveyance, loan or advance made to the Association by the Developer. The Developer shall not take any action, the result of which may subject any Common Property to a judgment lien or otherwise jeopardize any Common Property, to satisfy a debt of the Developer.

ARTICLE VI

Conveyance and Use of Common Property

Section 1. Conveyance of Common Property.

(a) The Developer shall convey the Common Property to the Association and, from time to time, may convey to the Association such certain other property as the Developer may determine in accordance with the Development Plan for the common use and enjoyment of the Owners. The deed of conveyance may contain appropriate restrictions and assurances that such property shall be reserved for the common use and enjoyment of the Owners and prohibit the construction thereon of buildings for commercial, retail or Living Unit use.

(b) The Developer may convey an interest in fee simple in any improved land intended to be used as Common Property either by gift or for a consideration which equals the cost of the capital improvements on such property at the time of conveyance. For the purposes of this Article VI, Section 1, "cost" shall mean the actual amounts expended to construct or complete the community facilities or improvements situated on Common Property (excluding the cost of the land devoted to such facilities or improvements), plus a reasonable charge for overhead. Such consideration may be in whatever form agreed to at the time of sale.

(c) Each conveyance of Common Property for consideration to the Association by the Developer shall be subject to the approval of a majority of the Association Board. The Association Board will review the financing proposal for such conveyance and will determine the extent to which Association Assessments and user fees and charges may be committed to finance the debt for such conveyance.

Section 2. Use of Common Property.

(a) Every Owner, by reason of such ownership, shall have a right and easement of enjoyment in and to all Common Property, and such easement shall be appurtenant to and shall pass with every Lot upon transfer. Any guest of a Member shall be entitled to a right or privilege of enjoyment of Common Property subject to such regulations as may be promulgated by the Association Board. Each such guest shall be accompanied by the Member sponsoring such guest at all times such guest is using the Common Property.

(b) All such rights, easements and privileges conferred under this Article shall, however, be subject to the right of the Association Board to:

(i) establish, adopt, promulgate, amend and rescind reasonable rules and regulations pertaining to the use, operation and maintenance of Common Property which shall enhance the preservation of such facilities, promote the safety and convenience of the users thereof, and which shall serve to promote the best interests of the Members and the Napa Valley community;

(ii) determine the use or uses to which Common Property may be put; provided, however, that any

designation of use which is inconsistent with the use designated by the Developer upon conveyance, shall be subject to the provisions of this Declaration.

(iii) determine which, if any, Common Property may be used and enjoyed by, or conveyed or dedicated to the general public or a federal, state or local government body; provided, however, that Property shall not be conveyed to a public body unless, after the Development Period, the Association Board has obtained the prior approval of two-thirds (2/3) of the Members who are present in person or by proxy and voting at an Association meeting at which a quorum is present or voting in a referendum called for such purpose after proper notice is given;

(iv) levy user fees and charges and to charge reasonable admissions or other charges or fees for the use of any recreational facility;

(v) borrow money for the purpose of acquiring, mortgaging, developing or improving any Common Property including improvements thereon; provided, further, that any such mortgage shall be subject to the approval of two-thirds (2/3) of the Members who are present in person or by proxy and voting at an Association meeting at which a quorum is present or voting in a referendum called for such purpose after the proper notice is given; and

(vi) apply for, accept and expend loans or grants from federal, state or local governments and to comply with any conditions required by such governments in order to obtain such loans or grants including conditions relating to the use and

enjoyment of Common Property by the general public.

Section 3. Damage or Destruction of Common Property By Owner. In the event any Common Property is damaged or destroyed by an Owner, or any of his or her guests, tenants, licensees, agents or members of their families, such Owner does hereby authorize the Association to repair such damaged areas. The amount expended for such repairs shall be a Special Assessment and lien upon the Lot of said Owner and shall be enforceable as other Assessments.

Section 4. Suspension of Rights. The Association shall have the right to suspend the right or privilege under this Article of any Member for any period during which the Assessments or user fees and charges assessed under Article IV hereof remain delinquent, and may suspend said right or privilege in connection with the enforcement of any rules and regulations relating to Common Property in accordance with the provisions of this Article.

Section 5. Joint Use Agreement.

(a) Each Neighboring Owner, and any member of such Neighboring Owner's household, including guests thereof as permitted by the Association, shall have the right and privilege to enjoy and use the Common Property subject to such rules and regulations as may be enacted by the Association Board.

(b) The rules and regulations which may be imposed or enacted by the Association Board in respect of the Neighboring Owners' use and enjoyment of the Common Property shall not substantially interfere with their right to use, or privilege of enjoyment herein granted, but shall be enacted by the Association Board for the purpose of causing the Neighboring

Owners to be governed by the same rules and regulations applicable to the Owners and for the purpose of protecting and preserving the Common Property in accordance with the intent of this Declaration. Accordingly, all rights and privileges conferred hereunder are subject to the rights or the Association otherwise provided for in this Article.

(c) Notwithstanding the fact that the Neighboring Owners have the right to use and enjoy the Common Property, in order to protect against those situations in which a Neighboring Owner violates the rules and regulations of the Association or of this Declaration, the Association shall be vested with and have the right to impose such restrictions on the use of the Common Property as the Association may deem reasonably necessary in order to give effect to its rights granted hereunder.

(d) The Association may charge a user's fee for the use of any improvements on any of the Common Property but no such fee shall be imposed as a penalty but shall reflect the reasonable costs and expenses, on a proportionate basis, which may be incurred by the Association in owning and operating the Common Property and the improvements thereon. In no event shall any fees charged to the Neighboring Owners be greater than the fees charged and paid by the Owners for the same services or facilities.

(e) Upon the failure of a Neighboring Owner to pay the appropriate fees imposed by the Association or in the event of any violation of the rules and regulations of the Association or if any such Neighboring Owner causes any damage to any of the Common Property then the Association, in addition to the specific remedies herein provided, may pursue such remedies at law or in equity against such Neighboring Owner as the Association may pursue under Missouri law.

The members shall be appointed by the Developer during the Development Period and may be employees or agents of the Developer, thereafter the members shall be appointed by a majority vote of the Association Board.

Section 3. Operations of the ARC.

(a) Meetings. Except as otherwise provided herein, the act of such majority of members of the ARC present at any regular or special meeting thereof at which a quorum is present shall constitute the act of the ARC.

(b) Activities. The ARC shall adopt and promulgate and, as it deems appropriate, amend the Development Guidelines and will, as required, make findings, determinations, rulings and orders with respect to the conformity with said Development Guidelines or plans and specifications to be submitted for approval to the ARC.

Section 4. Development Guidelines.

(a) As contemplated by and pursuant to the provisions of this Article, the ARC may adopt, promulgate, amend, revoke and enforce design and development guidelines, hereafter referred to as the Development Guidelines, for the purposes of establishing policies, requirements, standards, restrictions and specifications with respect to the approval and disapproval of all proposed uses and with respect to all construction or alteration of any Structure on any Lot, Easement Area or Common Property.

(b) The ARC shall make a published copy of its current Development Guidelines, readily available to Members and prospective Members of the Association and builders.

Section 5. Submission of Plans and Specifications. No structure shall be commenced, erected, placed, moved onto or permitted to remain on any Lot, nor shall any existing Structure upon any Lot be altered in any way which materially changes the exterior appearance thereof, nor shall any new use be commenced, unless plans and specifications (including a description of any proposed new use) therefor shall have been submitted to and approved in writing by the ARC. such plans and specifications submitted to the ARC shall be in such form and shall contain such information as may be required by the ARC in the Development Guidelines.

Section 6. Approval of Plans and Specifications. The ARC, in its discretion, is permitted to approve deviations from the Development Guidelines and from this Declaration when, in its judgment, such deviations will result in a more commonly beneficial use. Such approval must be granted in writing and when the ARC approves and grants a deviation from this Declaration, such approved deviation shall for all purposes named in this Declaration but only to the limited extent of such specifically approved deviation. No approved deviation shall be deemed to act as a precedent in respect of any other requests for approvals of deviations.

Section 7. Disapproval of Plans and Specifications.

(a) The ARC shall have the right to disapprove any plans and specifications submitted hereunder as determined by the ARC in its sole judgment and discretion for any reason including, among others, failure of such plans or specifications to comply with this Declaration or the Development Guidelines.

(b) In any case in which the ARC shall disapprove any plans and specifications submitted hereunder, or shall approve the same only as modified or upon specified conditions, such disapproval or qualified approval shall be accompanied by a statement of the grounds upon which such action was based. In any such case, the ARC shall, if requested, make reasonable efforts to assist and advise the applicant in order that an acceptable proposal may be prepared and submitted for approval.

Section 8. Inspection Rights. After reasonable notice and at any reasonable time or times, any agent of the Association or the ARC may enter upon any Lot for the purpose of ascertaining whether the use or maintenance of such Lot or the construction of any Structure thereon is in compliance with the provisions hereof. Neither the Association, nor the ARC, nor any agent thereof shall be deemed to have committed a trespass or other wrongful act solely by reason of such entry or inspection, provided such inspection is carried out in accordance with the terms of this Section.

Section 9. Violations. If any Structure shall be erected, placed, maintained or altered upon any Lot, or any new use commenced on any Lot, otherwise than in accordance with the plans and specifications approved by the ARC pursuant to this Declaration, such erection, placement, maintenance or alteration shall be deemed to have been undertaken in violation of this Article and without the approval required herein. Upon written notice of the violation to the Owner from the Association Board (which shall be deemed to have been delivered if sent by certified or registered mail, return receipt requested, postage prepaid), any such Structure so erected, places, maintained or altered upon any Lot in violation hereof shall be removed or

altered, and any such use shall be terminated, so as to extinguish such violation. If the Owner of the Lot upon which such violation exists shall not have taken reasonable steps toward the removal or termination of the same within the time specified in such notice, the Association shall have the right to pursue its Right of Action as provided herein, together with all remedies whether at law or in equity and whether specified herein, and including but not limited to the remedy of injunctive relief and obtaining a monetary judgment for all costs, expenses, including reasonable attorneys fees and damages.

ARTICLE VIII

(a) Each Owner shall keep all of his Lots and all improvements thereon, in good order and repair, including, but not by way of limitation, the seeding, watering and mowing of all lawns, the pruning and cutting of all trees, and shrubbery and the painting (or other appropriate external care) of all improvements, all in a manner and with such frequency as is consistent with safety and good property management. The Association shall have the right, after written notice to the Owner of the affected Lot as hereinafter provided, to remove trash or rubbish and to cut grass, weeds, and vegetation and to trim or prune any hedge or other planting that, in the opinion of the ARC, by reason of its location or height or the manner in which it is permitted to grow, is detrimental to adjoining Lots or is unattractive in appearance. The Association shall, further, have the right to care for vacant and unimproved Property, all at the cost and expense of the Owner thereof. Such cost and expenses incurred by the Association shall be paid to the Association upon demand and, if not paid within ten (10) days thereof, shall become a lien upon the Lot affected, equal in priority to the liens provided for herein.

(b) The ARC shall give fifteen (15) day's written notice to the Owner in violation of this Restriction, setting forth the specific violation or breach of this Restriction and the action required to be taken by the Owner to remedy such violation or breach; if, at the end of such time, reasonable steps to accomplish such action have not been taken by the Owner, the ARC may pursue its Right of Action and shall have such other remedies at law or in equity as may then exist or as provided herein.

No building shall be erected, altered, placed or permitted to remain on any Lot unless it is an approved Structure and no previously approved Structure shall be used for any purpose other than that for which it was originally approved. Extensions for periods beyond six (6) months may be granted by the ARC in its sole discretion. Section 8. Keeping of Animals on Lots. No animals or birds, other than custody household pets shall be kept or maintained on any Lot except as specifically authorized by the ARC. In no event shall any such pets be kept, bred or maintained for any commercial purpose or in such a manner as to constitute a nuisance or cause unsanitary conditions. The ARC shall require that dogs shall not be permitted outside of any Lot except on a leash and accompanied by a responsible person. No dog run shall be permitted on any Lot. The ARC may from time to time publish and impose other regulations setting forth the type and number of animals that may be kept on any Lot. Structure, unless such materials are screened from view in a manner approved by the ARC. During the course of construction, it shall be the responsibility of each Owner to insure that construction sites are kept free of unsightly accumulations of rubbish and scrap materials, and that construction materials, trailers, shacks, and the like are kept in a neat and orderly manner. No burning of any trash, leaves, grass or weeds, and no accumulation or storage of litter of any kind shall be permitted on any Lot. If trash or other refuse is to be disposed of by being picked up and carried away on a regular and recurring basis, containers may be placed in the open, on any day that a pickup is to be made, at such place on the Lot so as to provide access to persons making such pickup. At all other times such containers shall be stored in such a manner that they cannot be seen from adjacent and surrounding property. All such containers shall be kept in a clean and sanitary condition. The ARC may adopt and promulgate reasonable rules and regulations relating to the size, shape, color and type of containers permitted and the manner of storage of the same on the Property.

Section 10. Parking of Motor Vehicles, Boats and Trailers. No truck, commercial vehicle, trailer, commercial trailer house, recreational vehicle, all terrain vehicle, camper, motorcycle, automobile, mobile home, boat or boat trailer shall be brought upon, stored or habitually parked on any Lot in front of any Living Unit or garage, or between any residence or garage and abutting side street, or upon any street abutting any Lot. This shall not be construed to prohibit the mere temporary (a maximum of twenty-four (24) hours): (a) standing or parking of a trailer, boat, trailer house, recreation vehicle, or mobile home for short periods preparatory to take same to some other location for use; or (b) the temporary standing or parking of a truck or commercial vehicle for loading, or unloading; or (c) the parking of any operational automobile on any driveway on any Lot. The Association, with the written approval of the ARC, may permit such parking for longer than twenty-four (24) hours. No such vehicle shall be openly stored in any area other than as may be designated by the ARC. However, no mechanical maintenance on any vehicle shall be permitted in front of any Living Unit or garage, or between any Living Unit or garage and an abutting side street, or upon any street abutting any Lot. Section 11. Nuisances. No noxious or offensive activity shall be carried on or upon any portion of the Lots or Living Units, nor shall anything be done thereon that may be or become a nuisance or annoyance to any other Owners. No exterior lighting shall be directed outside the boundaries of any Lot but shall be directed so as to avoid glare and excessive light spillage onto abutting or adjacent Lots.

Section 12. Antennas, Poles and Projections. No facilities, including poles and wires for the transmission of electricity, television messages, CATV signals and the like shall be placed or maintained above the surface of the ground on any Lot and no external or outside antennas or satellite dishes shall be permitted on any Lot or Living Unit.

No external or outside radio or television antennas or satellite dishes shall be permitted on any Lot or Living Unit. No antennas or satellite dishes may be erected, used or maintained outdoors and above the surface of the ground, or attached to a building or otherwise without the written approval of the Architectural Review Committee. However, one satellite dish, thirty nine and one-half inches (39.5") in diameter or smaller may be installed and maintained on any residential Lot so long as the location and manner of mounting is disguised to resemble the surroundings or, is, in fact, visually indistinguishable from the structures, devices or improvements otherwise allowed in the community by these Covenants as to so blend into the background of the surroundings as to cause as little attention as possible. If approved, the type of antenna and exact location on the Lot or residence shall be determined by the Architectural Review Committee. In approving such applications, the Architectural Review Committee may require specific forms of screening as it deems appropriate in order to effectuate the intent of this section in order to render the installation as inoffensive as possible to other Owners and residents.

No solar collector of any kind or type shall be maintained, except with the permission of the Architectural Review Committee. No flag poles, poles nor standard, shall be erected or maintained, except with the prior written permission of the Architectural Review Committee.

Section 14. Restrictions for Residential Lots. No profession or home industry shall be conducted in or on any part of a Lot or in any improvement thereon in the Residential Areas without the specific written approval of the ARC. The ARC, in its discretion upon consideration of the circumstances in each case, and particularly in consideration of the effect on surrounding Property, may permit a Lot or any improvement thereon to be used in whole or in part for the conduct of a profession or home industry.

No profession or home industry shall be permitted, however, unless it is considered by the ARC to be compatible with the neighborhood. Except as provided herein, any Living Unit located on a Lot designated for residential use within the Property shall be occupied by the Owner of the Living Unit. Notwithstanding the above, however, leasing of single family or villa units will be allowed provided that the Owner first register the lessee with the Association, providing such information as the Association may require, and file with the Association a complete copy of the executed lease agreement.

Section 15. Lot Use for Model Home or Real Estate Office. All else herein to the contrary notwithstanding and as expressly limited herein, any residential Lot may be used for a model home or for a real estate office by the Developer during the Development Period. A corner Lot shall have a Three Thousand Five Hundred Dollar (\$3,500.00) landscaping allowance and three (3) two-inch (2") caliper trees, two (2) of which shall be planted in front of the residence on each lot and one (1) on the corner of each lot. ARTICLE X

Duration and Amendment

Section 1. Duration. This Declaration and the Restrictions contained herein shall run with, burden and bind the Property, shall inure to the benefit of and shall be enforceable by the Developer (during the Development Period), the Association and any Owner, their respective legal representatives, heirs, successors and assigns, and by any Resident until August 1, 2015; after which time the Declaration shall be automatically renewed for successive periods of ten (10) years unless, prior to the

commencement of any such renewal period, an instrument terminating this Declaration and the Restrictions contained herein shall be executed by the proper Association officers and recorded in the appropriate Office of the Recorder of Deeds or in such other place of recording as may be appropriate at the time of the execution of such instrument, pursuant to a resolution to such effect approved in writing by not less than two-thirds (2/3) of the total number of Members, which resolution shall have been approved within six (6) months prior to August 1, 2015, or the end of any such ten (10) year extension period.

Section 2. Amendment.

(a) Except as hereinafter specifically provided, this Declaration may not be amended, terminated or modified in any respect except by recording an instrument executed by the proper Association officers and authorized by the Members, subject of course to the rights, if any, of any lien holders of liens on the Property to consent to or approve of such amendment, termination or modification, pursuant to a resolution to such effect approved in writing by not less than two-thirds (2/3) of the total number of Members.

(b) Notwithstanding the foregoing, during the Development Period this Declaration can be abolished, amended, modified or changed in whole or in part by the Developer in order to, among other things, correct deficiencies of this Declaration as determined to exist by the Developer, to annex property as provided for herein or to deannex Property without Association membership approval but with the written consent of Owners located within the boundaries of the Property to be deannexed (who together with Developer shall execute a release document for recording with the appropriate office of the Recorder of Deeds); and, to give effect to all of the rights, obligations and duties created or contemplated herein.

ARTICLE XI

Enforcement

Section 1. Right of Action.

(a) In the event of a violation or breach of any Restriction contained in this Declaration, the Association shall give written notice to the Owner setting forth in reasonable detail the nature of such violation or breach and the specific action or actions which shall be taken by the Owner to remedy such violation or breach. If the Owner shall fail to take reasonable steps to remedy such violation or breach within the time limit specified in the written notice, then the Association may pursue its Right of Action. The term "Right of Action" as used herein, shall mean the right of the Association, through its agents and employees, to enter at all reasonable times upon any Lot as to which a violation, breach or other condition to be remedied exists, and take the actions specified in the notice to the Owner to abate, extinguish, remove or repair such violation, breach or other condition which may exist thereon contrary to the provisions hereof. Such entry or action, or both, shall not be deemed to be a trespass or wrongful act solely by reason of such entry and such actions, provided such entry and such actions are carried out in accordance with the provisions of this Section. All costs and expenses including reasonable attorney's fees incurred by the Association or on its behalf in enforcing such Right of Action, shall be a binding personal obligation of such Owner enforceable at law, as well as a lien on such Owner's Lot enforceable in accordance herewith. The lien provided under this Section shall not be valid against a bona fide purchaser (or bona fide lien holder) of the Lot in question unless a notice of such lien shall have been filed in the appropriate office of the Recorder of Deeds prior to the recordation of the Deed in the said office (or lien instrument) conveying the Lot in question to such purchaser (or subjecting the same to such lien). "Right of Action" shall also mean and encompass the right to pursue all remedies herein specified, together with all remedies at law or in equity.

(b) During the Development Period, the Developer may pursue its Right of Action in such cases where in the judgment of the Developer the Association has abused its discretion in electing not to exercise its Right of Action to enforce the provisions of the Declaration and has thereby jeopardized the performance of the obligations of the Developer pursuant to the Development Plan. The Developer's Right of Action shall be subject to the following limitations:

(i) the Developer shall give written notice to the Association identifying the violation which Developer seeks to correct and the steps Developer will take to remedy the condition; and

(ii) the Developer may not commence to exercise its Right of Action less than thirty (30) days nor more than sixty (60) days after giving written notice to the Association.

Section 2. Specific Performance. Nothing contained herein shall be deemed to affect or limit the rights of the Developer (so long as it is an Owner), the Association, the Members or the Owners, or any one of them, to enforce any of the terms, covenants or conditions of this Declaration by appropriate judicial proceedings. However, the Developer hereby declares that it is impossible to measure in money the damages which will accrue to a beneficiary hereof, its transferees, successors or assigns, by reason of a violation of, or failure to perform any of the obligations provided by this Declaration. Therefore, any beneficiary hereof shall be entitled to relief by way of injunction or specific performance, as well as any other relief available at law or in equity, to enforce the provisions hereof. In any and all such actions, whether at law or in equity, any such beneficiary hereof who is entitled to relief shall also be entitled to recover all costs and expenses, including reasonable attorneys fees, incurred in enforcing such rights.

Section 3. Enforcement of Liens.

(a) The Association shall have a lien for Assessments, user fees and charges (herein collectively, "Assessment" or "Assessments") and shall have a lien for the cost of exercising the Right of Action. The amount which may be recovered by the Association shall include the Assessment or costs, together with the cost of such enforcement proceedings, including reasonable attorney's fees and interest. Suits to recover a money judgment for unpaid Assessments shall be maintainable without foreclosing or waiving the lien provided for in Article IV, Section 1 hereof.

(b) If any demand for payment or claim of lien or liens is not paid when due, the Association Board or its duly authorized representative may thereafter elect to file and record a claim of lien on behalf of the Association against the Lot of the defaulting Owner in the appropriate Office of the Recorder of Deeds. Such claim of lien shall be executed and acknowledged by any officer of the Association and shall contain substantially the following information:

(i) the name of the delinquent Owner;

(ii) the legal description and street address of the Lot against which the claim of lien is made;

(iii) the total amount claimed to be due and owing for the amount of the delinquency, interest thereon, collection costs and reasonable attorney's fees (with any proper offset allowed);

(iv) that the claim of lien is made by the Association pursuant to this Declaration; and

(v) that a lien is claimed against said Lot in an amount equal to the amount stated; together with all other amounts becoming due from time to time in accordance with this Declaration.

(c) Upon such recordation of the duly executed original or copy of such a claim of lien, the lien claimed therein shall immediately attach and become effective in favor of the Association as a lien upon the Lot against which such Assessment or cost was levied. Such a lien shall have priority over all liens or claims created subsequent to the recordation of the claim of lien thereof, except for tax liens or real property taxes and assessments on any Lot in favor of any municipal or other governmental unit and except as provided in Article IV, Section 1 hereof.

(d) Any such lien may be foreclosed by appropriate action at law or in the manner provided by law for foreclosure of mortgages or sale by a judgment creditor or in any other manner permitted by the laws of Missouri. The Association Board is hereby authorized to appoint any attorney or any officer or director of the Association for the purpose of conducting such proceedings.

(e) The lien provided for herein shall be in favor of the Association and shall be for the benefit of all other Owners and shall secure payment of all sums set forth in the claim of lien, together with all sums becoming due and payable in accordance with this Declaration after the date of recordation of said claim of lien.

(f) Upon the timely curing of any default for which a notice of claim of lien was filed by the Association Board and the payment of all sums secured by the lien created by the recordation of such claim of lien, the Association Board shall (upon payment by such Owner of reasonable costs by the Owner of the Lot subject to the lien) cause an officer of the Association to file and record

an appropriate release of such claim of lien in the appropriate Office of the Recorder of Deeds.

(g) No Owner may waive or otherwise escape liability for the Assessments provided for in this Declaration by nonuse of the Common Area, or any part thereof, or any part of the Property, or abandonment of his Lot. Notwithstanding anything contained in this Declaration to the contrary, no action may be brought to foreclose or otherwise realize on the lien created by recordation of the claim of lien, until the expiration of thirty (30) days after a copy of said claim of lien, showing the date of recordation thereof, has been mailed to the Owner of the Lot which is described in such claim of lien.

(h) Each Owner does hereby waive to the extent legally possible, all defenses to any liens created pursuant to this Declaration, whether such liens are now in existence or are created at any time in the future, and the benefit of any exemption laws of the State of Missouri now in effect, or in effect from time to time hereafter.

Section 4. No Waiver. The failure of the Developer, the Association, any Owner, his or its respective legal representatives, heirs, successors and assigns, or any Resident, to enforce this Declaration shall in no event be considered a waiver of the right to do so thereafter as to a similar violation or breach occurring prior or subsequent thereto.

Section 5. Architectural Guidelines and Rules. The Association Board, and the ARC, each by a majority vote, to the extent specifically provided herein, may adopt, amend, modify, promulgate and rescind or revoke reasonable rules, regulations and procedures regarding the administration, interpretation and enforcement of the provisions of this Declaration; for the ARC in particular, this includes the right of modification, amendment, revocation or rescission of the Development Guidelines. In so adopting, amending, modifying, promulgating, rescinding, or revoking such rules, regulations and procedures, or in making any finding, determination,

ruling or order or in carrying out any directive contained herein relating to the issuance of permits, authorizations, approvals, rules or regulations, the Association and the ARC shall take into consideration the best interests of the Owners of the Property to the end that the Property shall be preserved and maintained as a community of high quality, and shall seek to achieve the development of the Property in accordance with the standards and objectives set forth in the Development Plan.

Section 6. Successor Developer. Anything herein mentioned to the contrary notwithstanding, should the Developer lose or divest itself of a substantial legal or equitable interest in the remaining unsold Property:

(a) All of the Developer's rights, powers, duties and obligations under this Declaration (except as to those possessed by each Owner, so long as the Developer remains as Owner) shall pass with such interest in the real property to a new Owner or part or all of such interest in the Property ("New Developer").

(b) Neither the New Developer, the Association, the Members nor the Owners shall assume any liability arising from the Developer's exercise of its rights and powers under this Declaration or its performance of, or failure to perform, its duties and obligations hereunder before the loss or of divestiture of the Developer's rights, powers, duties and obligations hereunder. The foregoing sentence shall not be construed so as to relieve a New Developer, wholly or partially, of the obligation to make advances to the Association pursuant to this Declaration on grounds that any cash deficit of the Association is attributed to the previous action or inaction of the Developer.

ARTICLE XII

Miscellaneous

Section 1. No Reverter. No Restriction herein is intended to be, or shall be construed as, a condition subsequent or as creating a possibility of reverter.

Section 2. Invalidity. The determination by a court that any provision hereof is invalid for any reason shall not affect the validity of any other provision hereof, and to the extent that any term, covenant or condition contained in this Declaration is in conflict with any applicable laws, this Declaration shall be deemed to be amended so as to comply with applicable laws.

Section 3. No Personal Liability. No member of the Association Board, officer of the Association, member of the ARC, member of any committee of the Association, whether such committee is specifically described in this Declaration or hereafter created by the Association, or Manager, if any, or the Developer shall be personally liable to any Owner, Member, or to any other party for any damage, loss or prejudice suffered or claimed on account of any act, (including any oral representation regarding any aspect of a Lot whatsoever), omission, error, failure to act, or negligence of any such Association Board Member, officer or committee member of the Association, Manager, if any, the Developer, or any Member of the ARC or any realtor representing the Developer in the sale of a Lot and, further, neither the ARC nor any member thereof shall be liable to the Association, any Owner or to any party for any damage, loss or prejudice suffered by or claimed on account of (a) the approval or disapproval of any plans, drawings or specifications, whether or not defective, (b) the construction or performance of any work upon the Property, (c) the execution and filing of any estoppel certificate, whether or not the facts therein are correct, or (d) any other act, action or conduct of such committee. Such limitation of liability shall apply in all cases, provided that such person has, on the basis of such information as may be possessed by him, acted in good faith, without willful or intentional misconduct.

Section 4. Local Laws Not Superseded. This Declaration shall not be construed as permitting any action prohibited by applicable zoning laws, or by the laws, rules or regulations of any governmental body, or by any deed or lease. In the event of any conflict, the most restrictive provision of

such laws, rules, regulations, deeds, leases or this Declaration shall govern and control.

Fence Policy

The Architectural Review Committee's goal is to keep all fencing harmonious with the architectural character of the community. Therefore, we chose the Ameristar Montage Fence as the exclusive fence line to be installed in the Napa Valley community. This fence is a powder coated black steel fence. It has the look and structural integrity of wrought iron at a fraction of the price and without the maintenance.

All fences must have the approval of the Architectural Review Committee before installation is undertaken. The applicant shall submit a copy of the plot plan showing the location of the proposed fence on the lot in relation to the lot lines, along with a side profiled (elevation) of the fence.

Fencing styles and materials shall be limited to the following:

1. Homeowner Property Perimeter Fencing;
 - a. The only perimeter fence approved is the Ameristar Montage black powder coated steel fence. No other aluminum, steel, or wrought iron fence will be permitted.
 - b. Fence styles are limited to the Classic, Montage, and Genesis three rail fence systems.
 - c. Fence heights are limited to four (4) feet, five (5) feet, six (6) feet. No other fence heights will be permitted.
 - d. The build starting point is 41 ft. from the curb. This includes the 11 ft. of city property. This is to create uniformity in adjoining lots.
 - e. No fence may have more than two gates and the minimum width of the gate is four (4) feet.
2. Privacy Enclosures for Jacuzzi / Whirlpool tub/;
 - a. If a fence is being constructed for the purpose of a Jacuzzi/whirlpool tub enclosure, the fence will then be a privacy fence at 5 ft. or six (6) feet in height. No other fence style or height will be permitted. This fence will only be approved to surround the Jacuzzi/whirlpool tub and not the complete back yard. If you are approved to add a pool, the fence must be 6 feet in order to meet city code.
 - b. The privacy enclosure, if completely enclosed, must contain one gate, and no more than one gate. The gate may be no less than 48" in width and no more than 60" in width.

- c. The homeowner also has the option to install Flex Fence as an alternative to privacy fencing.

3. FENCE ENCLOSURE (Pryor Road):

- a. A wood privacy fence. This fence will only be approved to surround the homes that directly back to Pryor Road. Please review and see the wooden privacy fence currently built in the Sonoma Point neighborhood. No other fence style or height will be permitted. Homes in the remainder of the neighborhood will not be approved to have a wooden privacy fence unless they meet these specific guidelines.

4. Restrictions:

- a. No fence will be approved if the installation will obstruct line of sight of traffic.
- b. No fence will be constructed over a driveway.
- c. After completion, the fence may be inspected to insure that the final product is of professional quality and final approval of the fence is withheld until successful completion of this review.

5. Recommendations:

- a. We encourage you to request a survey of your property prior to installing a fence in order to protect you from encroaching on other property lines or easements.
- b. These rules and regulations are set forth to protect and enhance your property value and to maintain the architectural beauty of Napa Valley. We will be diligent in insuring these policies are followed.
